CSF Error: *WARNING* Binary location for [HOST] [/usr/bin/host] in /etc/csf/csf.conf is either incorrect, is not installed or is not executable 1

CSF Error: *WARNING* Binary location for [HOST] [/usr/bin/host] in /etc/csf/csf.conf is either incorrect, is not installed or is not executable

Jika anda mendapati error diatas maka solusinya adalah :

Untuk sistem operasi centos

```
yum install bind-utils -y
```

dan untuk debian, ubuntu

```
apt-get install dnsutils -y
```
